PROCEEDINGS

Atkinson, N. C., July 23, 1925.

The Forty-third annual session of the North East and Cape Fear Sunday School Convention was opened at 11:15 A. M. in the Hawes Chapel Baptist Baptist Church ,Rev. A. J. Boney, Pastor, with President W. H. Moore, D.D., presiding.

A select choir with Miss Lula Greggs, of Shiloh, as organist, was selected. They sang- "Holy, Holy, Holy, Lord God Almighty!" etc. Rev. Jenkins read Ps. 19. Rev. J. D. McRae led in prayer. "All hail the power of Jesus name," etc., was lined by Rev. C. R. Murray.

The President arose and made some very appropriate remarks respecting the Convention's history, its work, present needs and future outlook. You know of its history, are carrying on its works, but the present needs. consecrated, and wherever possible, trained pastors and teachers and a successful future are with us. What shall we do?

Praise services, which are indispensable, were opened by Rev. Jenkins. He read a scritpure lesson with comment. Those that become more and more interested as the services proceeded and spoke were Rev. S. D. McKoy, Rev. C. R. Murray, Bro. T. G. McDaniel, H. K. Devane, Rev. V. Durant, Rev. I. M. Powers, Rev. J. D. McRae, Rev. L. T. Bond, Rev. J. W. Bell, Rev. C. Goodman, Bro. L. B. Powers, J. C. McQuillon, Walter Hayes, Rev. J. A. Reaves, Miss Lucile Murray, Geneva Whitfield, Irene Maides, Josie S. Taylor, Henrietta McNeil, Frances A. Murray, Valley Wells, Mary Fennell, Bro. R. C. Keith, Willie Nixon, E. W. Berry, Frank Fennell, Sister Janie McClaren, S. A. Spells, J. M. Powers. This service was interspersed with songs, prayer and many "Amens". Closing remarks were made by the President. "Praise God from whom all blessings flow," etc., was sung, which ended the praise services.

Rev. L. T. Bond with Rev. J. W. Bell as alternate, were chosen to preach the Introductory sermon. The choir sang, "Blest be the tie that binds," etc. Rev. Bond was presented. He, after some preliminary remarks gave out as a text 2 Tim. 1:12: I'm not ashamed; I know in whom I have believed. Many reasons were given why a Christian isn't ashamed of Jesus. The primary one because he knows Him. The sermon was interesting, full of intuition and earnestly delivered. Rev. Bell offered a fervent prayer. Rev. A. J. Boney and Rev. C. R. Murray lifted a collection of $15.10.

Rev. J. M. Jenkins, Mrs. Mary Fennell and Josie S. Taylor were appointed as Finance Committee.

Rev. J. H. Moore was appointed State Missionary and Rev. D. L. Reed, of Enfiled, were introduced by the President and Rev. J. D. McRae. They spoke very favorably by the work as intimated by the beginning. They will be heard again.

The morning session came to a close with benediction by Rev. J. H. Moore.

THURSDAY AFTERNOON SESSION.

The President called the Convention to order at 2:15 P. M. The choir sang, "Alas and did my Savior bleed," etc. Rev. D. L. Reed read 1st Corinthians 13. Rev. S. R. Williams offered prayer, "My hope is built on nothing less," etc., was sang by the choir. The work of the morning session was read. The same was adopted.

A letter from Bro. W. H. McClaren, Ex-Superintendent of Moore's Creek Sunday School- inquiring as to shortage of funds from that school to the last Convention. This matter was left in the hands of the Board to investigate.

Rev. J. D. McRae reported $2.00 from Deep Bottom Sunday School for the

year 1924. This money seems to have gotten lost and was found too late for record of 1924.

The President called Rev. Jenkins to the chair. He proceeded to make his annual address. Concluding same Rev. I. M. Powers motioned that said address be accepted and recommendations adopted which was done.

Rev. J. H. Moore, who was formerly introduced, came upon the scene and delivered a masterly and convincing plea for Missions. He spoke from a subject, "Progressive Christianity." No one who may chance to listen to him cannot but take on new life and be inspired to do greater work, praying, paying and talking up Missions. $15.00 was collected. This amount was supplemented and increased to $25.00. Same was given the speaker as traveling expenses and on a fund purporting to be a "Ministers Conference," at Shaw next year. Will the Conference be and who will be the beneficiaries. Why not give all missionaries their traveling expenses and send other money to The Board of Promotion.

Roll of schools were called and delegates enrolled.

For the convenience of our hostess in placing the delegates in homes the session closed at 5 P. M.

Benediction by Rev. Bond.

Nixon led divine services, "Father, I stretch my hands to thee," etc., was sung. Brother Nixon read Psalms 91. Rev. G. H. Corbette offered prayer. After singing "Did Christ o'er sinners weep," etc., the President protem appointed Rev. Silas Carr to preach. Rev. William Boykins sang, "Come ye that love the Lord," etc. Rev. Carr arose and spoke very reluctantly of his being called upon yet he would do his best under the circumstances. He used for a text St. Matt. 20:4: Go ye also into the vineyard and whatsoever is right I will give you. From this text he emphasized the word "Go", the vineyard and the "Whatsoever is right." Rev. J. W. Bell sang, "I'm going through." Rev. W. M. Boykins led in a fervent prayer. Bro. J. C. McQuillon and H. K. Devane called for a collection which amounted to $3.05.

Rev. A. J. Boney extended to the Convention a hearty and intimate welcome. Same was humorously accepted by Rev. G. H. Corbette. Closing remarks by Rev. C. R. Murray. Doxology was sung.

In the above text all were admonished to teach the doctrine of church, one Lord, one faith and one baptism; that salvation is of no other than through Jesus Christ. Teach them to observe "all things." These and many other words about saving thyself and them that hear thee; did the speaker portray in his sermon. The choir rendered a beautiful anthem.

This was increased to $8.56. Mrs. Nannie Cowan raised the most money, $1.52. Rev. McRae reviewed the lesson with comment from others as well.

A Topic: "Evangelism in the Sunday School," was discussed by Prof Pope.

He began by saying, "Evangelism is the preaching or promulgating the gospel." The first thing that the Sunday School should aim at should be to get the pupils to become Christians. You can manage them more easily when they become Christians. Evangelism should obtain in the Sunday School for the following reasons: As a matter of obedience to Jesus. It will make the young more useful to the church, community and better citizens. Will bring joy and happiness into their lives. He continued, the Sunday School is not functioning as it should, or living up to its high mission,, unless some souls are saved through its influence each year. How many have been saved in each school the past year No one is excused from this specific duty for the poet says:

"If you cannot be the watchman,
Standing high on Zion's wall,
You can tell the love of Jesus
You can say he died for all."

The speaker added:

And it may be that the children
You have led with trembling hands
Will be found among your jewels,
When you reach that better land.

Sister —— Williams, from the Daughters of Zion Association, as a messenger, brought greetings from that body.

Announcements were made by the Vice-President Rev. McRae.

The next session of the Convention was recommended to be held at the First Baptist, Garland, N. C. Same after some objection was accepted. Let us all D. V. go to Garland, July 22-25, 1926. Rev. A. J. Boney read the "Resolutions" as prepared by the committee. Same was adopted.

Rev. J. N. McKnights was asked to preach. He did so to the real satisfaction of both saint and sinner. Everybody seemed to enjoy the sermon. $11.25 was raised and put in the Treasury. This closed a very busy day of strenuous work and earnest proclivities. Many of the Ministers and delegates took leave for their various fields of labor; not knowing whether they would meet another session of the Convention. Rev. Joseph Reaves being on program to preach remained over. Rev. D. C. Fennell opened divine services by singing "Am I a Soldier of the Cross," etc. Rev. D. L. Reed read Psalm 94 and offered prayer. "How sweet the name of Jesus sounds," etc., was sung. Rev. Reaves used as a text Ps. 92:12: The righteous shall flourish like the palm tree; he shall grow like a cedar in Lebanon. He made some very good illustrations of the subject or text. Rev.. D. C. Fennell offered a fervent prayer. Bro. Wash Beatty and Walter Hayes called for a collection which amounted to $4.10. Doxology was sung.

Benediction by Rev. Reaves.

SUNDAY MORNING.

Sunday School was opened with music. Prayer by Rev. Wash Carr. The International Lesson for July 26, 1925, was used as a lesson. Many comments, all classes paid on the table. $2.20 with 70 cents for Missions was raised. Left this amount of $2.90 with Hawes Chapel Sunday School.

Take your collections by classes and mission money as a whole. Do this each Sunday and you will be surprised to know how much money you will be able to report for all causes at next Convention.

At 11:30 divine services were opened. The Church choir with Prof. Sweat and Miss Isabella Boney respectively at the organ rendered very appropriate music. Rev. A. J. Boney read scripture lesson from St. Matt. 8. Rev. Wash Carr led in prayer. "Am I a Soldier of the Cross," etc., was sung. Rev. Boney presented the Rev. D. L. Reed to preach.

He made some remarks commensurate with the occasion. St. Matt. 8:27 was announced for a text. Theme: "Take the Lord with you on the voyage of life." Without Jesus on board many souls have been, are being, and will be shipwrecked and perhaps lost. Just wake up Jesus if you have him on the ship. What a calm will come when He speaks. Take the name of Jesus with you. A strong and interesting sermon..

Prof. F. L. Ganey and Brother Sampson lifted a collection amounting to $17.25.

Closed until 2:30 P. M. Benediction by Rev. Reed.

At time appointed the house was packed to hear a sermon by Rev. A. J. Boney, the pastor. "Must Jesus bear the cross alone," etc., was sung. Rev. Reed read 1st Peter 3:1-11. Rev. Wash invoked the throne of Grace. The choir sang, "Let your lower Lights be burning," etc. The speaker arose and used for a text Isaiah 40:8. Subject: "The durability of God's work." Every one present was urged to get in God's word. There is safety in no other way, substance or patrician.

$4.45 was raised. This amount with the above made $21.70. This money was given the preachers of the day.

Closing remarks were made by the Recording Secretary, thanking the Church and community for their generous hospitality, kind treatment and solicitous preparation.

"God be with you till we meet again," was sung. Rev. D. L. Reed made the closing prayer.

On to the First Baptist, Garland, is the Watchword.

PRESIDENT'S ADDRESS FOR 1925.

Members and Co-Workers of the Convention:

Another year's labors has passed into history and we are called upon to report our work done.

This year has had many handy caps, which rendered it hard to collect finance with which to carry on the work in which this Convention is interested. Nevertheless, the spiritual growth has shown a marvelous increase, due to the fact, that the leaders have worked with their people with a greater degree of interest in Kingdom building than ever before. The Master's call to the church and Sunday school is one The Church being the parent body must keep in tact its interest in the young people. They are the future of the Church. If we are to make progress spiritually, materially and educationally. we must depend upon and see after wisdom from God, ere we will not understand our duty when taught us. God is a spirit and seeketh

such to worship him in spirit and in truth. The two attributes are inseparably connected. First you must know the truth, and the truth shall make you free.

This is a day of scientific investigation. Science one of the greatest agencies God gave to man that man could better understand Him, and apply himself to service in the right direction, and behold, man has used it to attack even the rights of God to be called the Creator of all things. They deny his deity. They faintly attempt to deny the Virgin birth of His Son Jesus. Science attempts to refute the divine creation of man by offering evolution as a progressive growth as scientific investigation claims the right of discovery rather than credit God with the power of making man with capabilities of improvement.

We believe that whatever man is now, the Creator put in him when He made him, every power of adjustment, and that science itself is only one of the endowments that our Creator blessed his creation with, and that after all, man is coming into the higher state of his development because of his race progress. When our Creator made the creeping things of the earth, He first created man in His own image and likeness, and made He the animals after its kind. The monkey is today in the likeness it was first created. It may have been trained to do some things that it could not do then, but it remains a monkey on its four legs. So is man in the same image and likeness he was first. He is educated and lifted higher, because of his training, but he is nevertheless the same image of his creation. If by evolution man has developed to what he is today and that his original state was that of a monkey, why are monkeys born monkeys still. It is time that all monkeys were changed.

The modern idea is to set aside the divine idea and authority. As fundamentals we stand on the Word of God, and the fact that the creature cannot explain away the power and thought of the Creator.

So let us forget these religious cranks and strive to enter in at the straight gate. Your task is not whether the modernist is right or wrong, but to put over the program of the great commission: Go ye therefore, teach all nations, baptize them, in the Name of the Father, and the Son, and the Holy Ghost, teaching them to observe all things whatsoever Christ commands, and He said lo I will be with you until the world shall end. Amen.

RECOMMENDATIONS:

1. .I recommend that we increase our interest in our institution, the Burgaw High School, My brethren and sisters, this is your school and must be supported by you. The secondary schools are feeders to our Baptist higher schools of training.

2nd. I recommend that after graduation at Burgaw, you go to Shaw University for higher training. Go there and get your degree, A.B., A.M., B.TH., B.S. and D.D. Yes, don't stop shorter than a degree.

3rd. I recommend that we increase our donation from one hundred to one hundred an dfifty dollars to our State work, that we might become a more determined factor in putting over the $47,000 drive for five years, and thereby endow Shaw University with one hundred thousand dollars. Now let me entreat you that whatsoever is right, and whatsoever is good, and whatsoever is true in what I have said. Think on these things.

Yours for the cause, W. H. MOORE, President.

REPORT ON MISSIONS.

Brother President and Co-workers: We beg to report the following on Missions: After a careful consideration of the plans previously adopted we find that instead of offering new plans, that we would encourage those already enacted. That each Sunday School will appoint from among itself a Missionary who will have charge of all the mission money and see to it that a collection be taken each Sunday and the same be reported to the Convention annually. We further urge that the Pastor and Superintendent will make themselves interested in Missions.

HENRIETTA McNEIL.

REPORT ON EDUCATION.

The Committee on Education submits the following report: The trained and consecrated mind is a helpful instrument in the education and evangelization of mankind. The Churches and Sunday Schools led by educated and consecrated men and women should be an example and a light for others to follow. We firmly believe that the time is at hand when both educated laymen and ministers should place greater emphasis upon Christian education. Since the Burgaw School is now an accredited High School we feel

that we should double our efforts and renew our resolutions as well as increase our contributions to supply its need that the school may be in a position to continue to do its best work. We urge that the North East and Cape Fear Sunday School Convention put itself on record as giving the school its moral and financial support.

I. M. POWERS,
ANNIE MOORE,
ESTELLA NEWKIRK,
C. F. POPE,
BEATRICE EVERETTE.

REPORT ON RESOLUTIONS.

Whereas, there is in some parts of our country much unrest on the part of the churches because of the attack made by the scientists on the story of creation and also on the divinity of Christ as it is taught in the Bible, therefore be it Resolved:

1. That we declare our faith in the fact of creation as it is taught in the scriptures.

2. That this Convention firmly believes in the divinity of Christ, that He was the Son of God an dis the Savior of men, and was born of the Virgin Mary as the scriptures teach.

Whereas, the State of North Carolina has inaugurated and is carrying forward a great Educational program, and

Whereas, the Churches must keep pace with the schools in preparedness and efficiency in order to hold the people to the Church and religion, therefore be it Resolved:

1. That we appreciate the efforts of our great State in trying to help our people become better citizens and the encouragement our group always receives when we are trying to help ourselves.

2. That we urge the religious leaders of our peopde to better prepare themselves for their great task in keeping the Church abreast with the times.

3. That we advise our deacons and others who have any leading part in choosing our Church leaders, such as pastors, Sunday School Superintendents and teachers to be satisfied with nothing less than the best that can be obtained.

PROCEEDINGS, 1929

Atkinson, N. C., July 24, 1929.

First Day—Morning Session

President W. H. Moore called the Forty-Seventh Annual Session of the North East and Cape Fear Baptist Sunday School Convention to order in Lakes Chapel Baptist Church, at 10:40 A. M. Rev. Joseph Reaves sang "Come Holy Spirit," etc. Rev. N. J. Peterson read St. Matthew 5, 1-12. He offered the opening prayer. "Down at the Cross," etc. was sung. The President made some introductory remarks relative to our past, present and future work. A praise service was led by Rev. T. R. Cowan. Those joining in these services were Rev. I. M. Powers, C. T. Underwood, C. R. Murray, J. M. Jenkins, T. J. McDaniel, L. B. Powers, H. K. Devane, Wilson Sellars, Josie S. Taylor, J. W. Bell, G. W. Pinkston, A. C. Herring, Mrs. M. D. Dickson. Being interspersed with songs of praise, words of cheer, grateful hearts and thankfulness, this was a glorious praise service. A choir with Rev. J. D. McRae, assisted by Rev. A. J. Boney as chorister, Miss Avant Beverly as organist, was organized. Rev. and Mrs. M. D. Dickson were introduced. Mrs. Dickson became one of the leading choir members. "From Every Stormy Wind That Blows," etc. was sung. Rev. Goodman who was to preach was presented. He gave out as a text St. Luke 12, 15. Subject, "A Life That Counts." In summing up his sermon he said, "A life that counts must be hid with Christ in God, rendering consecrated and righteous service, first, to oneself, to God, and to his fellowman". A fervent prayer was offered by Rev. M. D. Dickson.

While the choir sang "It Pays to Serve Jesus," a collection of $22.79 was lifted by Revs. Underwood and McKnight; $6.19 above last year.

Rev. Dickson paid $1.00 as annual dues. Rev. T. A. Powers, Mrs. Josie S. Taylor and Miss Lucile Murray were appointed as Finance Committee. This closed one of the best opening sessions of the Convention. Benediction by Rev. Goodman.

First Day—Afternoon Session

After enjoying a wholesome and plentiful repast, with watermelons thrown in, the Convention reassembled at 2:30 P. M. The choir sang "All Hail the Power of Jesus' Name," etc. Rev. K. S. Davis read St. Matthew 4, 1-11, and offered prayer. "Amazing Grace," etc. was sung. The proceedings of the morning session were read. By motion of Rev. Murray it was approved. Vice-President Dixon presented the President to make his address. He, on behalf of Dr. Pegues, who was reported very ill, asked for a few moments of silent prayer. This ended with a fervent prayer by Rev. Underwood. Listening to the address, replete with words of cheer, good will and optimistic conclusions, the Convention said "Well done." Mrs. Dickson sang "When the Storms of Life Are Raging, Stand By Me," etc. The address was handed to Revs. Underwood, J. D. Beatty, J. N. McKnight, A. J. Boney, Joseph Reaves, J. M. Powers and T. J. McDaniel for investigation. Roll of Sunday Schools was called, delegates enrolled, letters read

and money handed to the Finance Committee. Rev. M. D. Dickson thought the Convention was in good shape and doing commendable work. Revs. J. D. McRae, H. C. Dixon, Mrs. C. F. Pope, Josie S. Taylor and Lucile Murray were named as a committee on organization of a B. Y. P. U. Convention. Closed with a benediction by Rev. I. M. Powers.

First Day—Evening Session

The night session was opened at 8:30. "He Leadeth Me," etc. was sung. Bro. Dock Owens read Psalm 1. Rev. D. C. Fennell led in prayer. "Since Christ My Soul From Sin Set Free," etc. was sung. Rev. J. W. Bell sang "There Is a Hand That Leadeth Me On." Rev. I. M. Powers arose and used for a text Prov. 22, 6; subject, "Our Objective." To train a child in the way of righteousness, consecration and Christian service is the imperative duty of the parents, the Sunday School and the church was the climax of the sermon. Revs. Murray and A. H. Dixon took a collection of $9.70. Rev. H. Peterson, the pastor, made the Convention feel at home in a prepared place and with a sufficient menu for its sojourn. Miss Beatrice Everette anticipated a pleasant stay, a profitable session, plentiful repast from the kindly welcome extended. First day's session come to a close.

Second Day—Morning Session

At 9:40 Friday morning the Convention was opened. President Moore presiding. "Am I a Soldier of the Cross?" was sung." Bro. F. Peterson read Eph. 3, 1-10. Rev. C. H. Carr invoked the Divine blessing. "Count Your Blessings One by One" was rendered by the choir. The proceedings of the first day's afternoon and night sessions were read. By motion of Rev. Underwood they were approved. Some very pertinent and helpful suggestions and warnings as to the good of being punctual, wholly interested and actively engaged in the Christian work so assigned were given out by the President. The various committees were appointed. The letters from the Sunday Schools conveyed news of good work, dutiful and obedient services having been rendered. The Recording Secretary reported, pointing with thankfulness to twenty-eight years of seeming satisfactory service in said capacity. The Treasurer, Auditor and Corresponding Secretary followed. An itemized sketch of the work of the Convention from 1895, as rendered by the last named officer should be furnished by him and printed in the minutes. The Committee on President's Address made a very favorable report. All recommendations by him were approved. (See elsewhere.)

The Committee on Officers reported that the present incumbents remain for 1929-30. By motion of Rev. McKnight Rev. I. M. Powers was sent as a delegate to the Lott Carey F. M. Convention to convene in Columbia, S. C. Dr. Moore was sent to State S. S. Convention at Lumberton, N. C. A report on missions was read by Rev. A. J. Boney. Same was approved. A sermon by Rev. A. J. Boney being the next in order, he, with Rev. J. M. Mallette as alternate came to the pulpit. Rev. Mallette sang "A

Charge to Keep I Have," etc. Rev. Boney was presented. A text from St. Matt. 28, 19-20; subject, "Making the World Christians," was used by the speaker. Special emphasis was placed on the command, "Go, preach and baptize. Having done this don't fail to 'teach' and I will be with you always." Mrs. Dickson sang "I Know In Whom I Believe." A collection of $22.00 was called for by Revs. Underwood and McKnights. Rev. J. Mac Newkirk brought greetings from the K. E. S. S. Convention. These services were spiritual, pointed and interesting, the sermon good, the singing above the average, and the collections all that we could wish and the needs require. A report on the B. Y. P. U. work and organization was submitted by Mrs. C. F. Pope. By motion of Rev. J. Mac Newkirk the report was adopted. Closed for dinner.

Second Day—Afternoon Session

Coming together at 2:40 P. M. President in the chair. Rev. Bell sang "Glory to His Name." Rev. Silas Carr read a scripture lesson and offered prayer. The choir sang "Leaning on Jesus." The proceedings of the morning session were read. By motion of Rev. Murray they were approved. The Revs. F. E. Peterson, J. M. Jackson and Mrs. J. A. Lewis were introduced. Rev. J. A. Lewis gave an impressive lecture on "Stewardship." He used the words Personality, Talent, Calling, Influence, Opportunity, Time and last, Substance, to better illustrate his subject. Get the person and these other qualities should and will follow in the order named. Don't begin with money from a newly-made member—an error or mistake too prevalent. Another very explicit lecture on the Sunday School was given by Rev. M. D. Dickson. He used a poor and fat cow as illustrations to show the difference between a modern, and, too frequently, old type of Sunday School. A poor school is one not cared for, diseased, mistreated, underfed, not fed at all in most cases and one that kicks, knocks and (k)complains. A fat Sunday School is just, and more so, the opposite. Revs. Goodman and A. H. Dixon lifted a collection of $5.30. A recess was taken.

Second Day—Evening Session

Beginning at 8:40 P. M. the following religious pageant was presented under the direction of Mrs. L. B. Pope: The following scenes were given: "America," "In the Garden," "Tell me the Old, Old Story," "Let the Gospel Light Shine Out," "Where Is My Wandering Boy Tonight," "Rock of Ages," "Steal Away," "Bringing In the Sheaves." Each scene was accompanied by a chorus of young men and women. The participants all rendered well each scene. The program was a new feature and one of the most successful programs rendered by the young people. We hope next session a large number of young people will come prepared to put over our greatest program. Concluding the above a collection of $20.33 was lifted. Rev. McRae with Miss Lucile Murray, Rev. H. C. Dixon with Miss Frances Newkirk were contestants. The former were the winners.

Third Day—Morning Session

At 10:00 A. M. Saturday a memorable crowd, and still they came, had assembled to witness the closing of the Convention. The choir sang, "He Lifted Me." Bro. H. C. Dixon read Eph. 6. Prayer was offered by Rev. C. T. Underwood. "But I Know of Whom I Believed" was rendered. Proceedings of Friday afternoon and night sessions were read and approved. Some comments on the pastor's duty to the Sunday School were made by the President and Rev. Underwood. The Committee on New Schools reported two: Mt. Calvary, Millard, N. C., and Oakey Grove, Winnabow, N. C., approved for membership. Rev. I. M. Powers extended the hand of welcome to them. The Committees on Place, on Education, Temperance, Obituary, made reports which were approved. Rev. I. M. Powers and Mrs. F. A. Murray spoke of the life and work, as they knew them, of the late Sister Pattie G. Shepherd. The following District Superintendents read their reports: E. W. Berry, F. K. Fennell, E. D. Powers, J. C. McQuillon, W. H. Nixon, Wm. McAllister, Silas Carr. Bro. Berry gave of his donations $3.25; Bro. McQuillon, $5 to the Convention. Where are the nine? The reports of Solicitors were: Lula Johnson, $1.10; Maina George, $5; R. A. Gurganeous, $6.55; L. P. Jones, $16.35; Laura Kenan, $1; Francenia Parker, $1; Georgia Mimms, $1; Geneva Whitfield, $4.50; Georgia Clay, $2; M. E. White, $4.25; Mary J. Mrs. L. P. Jones, $16.35; Miss Hoseanna Peterson, $9.70; Miss Ollie Hall, $6.66; Miss R. A. Gurganeous, $6.55; Miss Maima George, $5; were the winners of nice Bibles. An error or oversight caused us to give the prize Bible belonging to Miss R. A. Gurganeous to another. Have purchased and made satisfactory, we hope, amends to same.

The Committee on District Superintendents read its report. Some replacements and insertions, we believe and hope, for the better interest of the Convention were made. At 12 M. Rev. McRae was presented to preach. He did so, using as a text, Ex. 34, 29. Subject, "Unconscious Beauty." He said, "Obedience to God and real service to man are what, other things being equal, makes man beautiful. Outward beauty is not an index to inward purity. Just let your light shine." Rev. C. C. Crawford offered a fervent prayer. "In Thy Cross" was sung by the choir. The roll collection

Mr. President and Members of the Convention:

We, your Committee on President's Address, beg to submit the following report. That we have carefully examined the report as read and we find it to be worthy of our commendation and consideration. As such we recommend that the address be adopted and as much as the Secretary may suggest be printed in our minutes with the recommendations.

T. G. McDANIEL, Secretary.

Missions

Mr. President and Members of the North East and Cape Fear Sunday School Convention:

We, your Committee on Missions, ask to submit the following:

1. Missions—As set forth by our Saviour, Jesus Christ, is to evangelize the world by having the Gospel preached in every part of the world.

2. Since this Convention fills a very conspicuous part of that command we ask all of the schools to send up more money for missions.

3. That the schools designate in their letters what part for Home or State Missions and what part for Foreign Missions.

4. That the pastors and superintendents bestir themselves as never before in seeing to it that this phase of God's program be carried out, that heathen may rejoice and the valleys blossom as a rose.

Respectfully submitted,

THE COMMITTEE.

Temperance

Mr. President:

We, your Committee on Temperance, beg leave to make our report:

Whereas, We are living in such a fast age and there seems to be so much intemperance that it has caused so many people to stray from the path of righteousness; and, whereas intemperance seems to be such an excess that in the future we shall seek not to please man but to please God; and, whereas so many crimes are being committed because of intemperance; Therefore, be it resolved, that we seek to reach the goal by practicing temperance.

Respectfully,

YOUR COMMITTEE.
(Rev. L. B. Boykin.)

Education

We, your Committee on Education, desire to make the following report:

Education is the standard by which true manhood and womanhood is measured, because it is the process of developing and strengthening one's powers so that he may occupy the greatest sphere of usefulness in life. In this age of marvelous development and progress, both state and church are calling for prepared men and women along all lines of human activities. To this end we have the public school system, giving intellectual training, both elementary and high school, as well as private schools, for which we are duly thankful. For this reason there is little excuse for ignorance in this our county.

We wish to recommend, first, that our people more extensively take advantage of the opportunities that are theirs in this connection. Second, since Burgaw Colored High School, the joy and hope of the people of this section, offers splendid opportunities to colored youths desiring an education, we most heartily recommend that the colored people send their children to the Burgaw High School, where they may receive instruction, not only in books, but also instruction along the lines of moral and ethical living.

(Signed) COMMITTEE.

CHAS. P. MURRAY.

RECOMMENDATIONS FOR THE PRESIDENT FOR 1930.

Now my fellow workers, to strengthen our organization, I make the following recommendations:

1st. That Christian Education, Home and Foreign Missions, and care for Aged Ministers be the objects of our Convention.

2nd. That this Convention assume $150.00 per year of the Shaw Budget pledged by the Association.

3rd. That this Convention give more to the State Sunday School Convention than we formerly gave for the objects of the Convention.

4th. That the money sent up from the Schools for Missions be equally divided beteen the State Mission Board for State Missions, and the Lott-Carey Foreign Mission Convention, and when said amount appears too small, that the same be supplemented.

5th. That this Convention represent in the National Baptist Jubilee to be held at Chicago, August 14th, 1930, and that a donation be sent.

REPORT ON MISSIONS.

Mr. President and members of the N. E. and Cape Fear Sunday School Convention:

We, your Committee on Missions beg leave to make our report. The

word Mission is from the Latin-Rout. Missia: which means a State of being sent with certain powers, to do some special work. And Jesus has said to us to go into all the world, and make disciples of all nations.

Whereas, Missions are the prime object of the Baptist Church and denomination and since the Commission must be carried out by the Christian leaders. We must demonstrate to humanity that God and Christianity must have a hearing; therefore, be it

Resolved, That we as a Convention go on record as supporting the Foreign Mission fields. Respectfully submitted,

Resolved, that such characters be known and standing hale and hearty for temperance, will hold ourselves a loose from such character, and that we put our foot on everything that is incompatible to christianity and detrimental to the cause of Christ we represent. 3rd, That each of us as we have knowledge of such individual will do our best to inform our legal authority, namely, our Executive Board, that they may investigate the matter and bring such character to the public that they will be known, thereby we will know our worthy from the unworthy.

REPORT ON EDUCATION

We, your Committee on Education, wish to make our report. Taking Education and knowing it to be one of the greatest requisites of a complete life we are standing by every good recommendation which constitutes a thorough education.

As Shaw University is our great center of Education for the training of young men and women. We first recommend that all of the young men who are aspiring for the ministry to go there and stay until they are satisfied and satisfy the University that they can do the work for which they have been called.

We also recommend the young ladies who are interested in missionary work to go to Shaw and take up that special line of work.

Last but not least, allow us to commend the past work of the Burgaw High School, under the leadership of Dr. C. F. Pope, and looking forward to its future success; praying the great head of the church that the work of the B. H. S. may continue, and that this Convention give to the school the necessary needs which it is able.

It is still our joy and inspiration where the young men and women may go to receive instruction in books and along the lines of moral and ethical living.

Humbly submitted,

MISS BESSIE WILSON,
MRS. C. F. POPE,
MRS. LILLIAN P. SHAW,
